Full Description: Modular Mall Bundle - 5 Sections and Accessories

**Modular Mall Main Section** The 3D modular mall for Poser and DAZ Studio is part one of five and contains a main section and a staircase section and includes a bench, fountain, trash can and two planters. The sections can be used side by side or across from each other. The windows/doorway panels/signs have their own texture so that you can easily create new store fronts and make a larger mall. The doorway panels can be removed and the glass setup as glass so that you can use the interior of the stores as well. This is part one of the modular mall set.

**Modular Mall Food Court** 3D modular shopping mall food court section for Poser and DAZ Studio is part two of five. The food stall texture panels can be removed so the interiors can be used. The food tray is movable and parented to the table and chairs prop.

**Modular Mall Movie Theater** The 3D modular mall movie theater section for Poser and DAZ Studio is part three of five. The theater doors open and close. The interior lobby texture panel may be removed if you wish to use the building interior.

**Modular Mall Entrance** The 3D modular shopping mall entrance section for Poser and DAZ Studio is part four of five. All eight entrance doors open and close, the parking lot backdrop panel can be removed. The included kiosk awning can be removed and the movie and snack vending machines can be moved or used anywhere.

**Modular Mall Large Retail Store** The 3D large retail mall section for Poser and DAZ Studio is part five of five. The interior texture panel may be removed so that you can use the inside area of the building if you want.
