Farmhouse and Yard Model Poser Format

Product URL <https://www.poserworld.com/3d-farmhouse-and-yard-model>

Short Description: A 3D farmhouse and yard model in Poser 3D model format. The farmhouse is a facade model, however there are texture panels behind each window and door glass.

There is a labeled texture panel template included in the textures. Add your own textures to the panels and make the glass texture less reflective (or clear) and apply your texture.
