Fashion Glasses Model Set 1 for All Poser Figures Poser Format

Product URL <https://www.poserworld.com/3d-fashion-glasses-model-set-1>

Short Description: The 3D fashion glasses model set 1 in Poser 3D model format will work with any Poser / DAZ 3D / Other Poser figure. They are set up by default for the Poser Ryan figure. The preview shows them on the Poser Sydney G2 figure.

The ear pieces have movements set for adjusting the glasses and they are parented to the main "frame". The color can be easily changed as needed.
