Late Night TV Talk Show Environment Poser Format

Product URL <https://www.poserworld.com/3d-late-night-tv-talk-show-environment>

Short Description: A 3D late night TV talk show environment / scene in Poser 3D model format. The two posable TV cameras, host desk and chair and the two guest chairs are parented to the main TV set model and can be move as needed.

Several of the textures are 4096 x 4096 so that when doing close up renders the textures do not blur.
