Vintage Eyeglass Model for All Poser Figures - Poser and DAZ Studio Format

Product URL <https://www.poserworld.com/vintage-eyeglass-model-for-all-poseur-figures-poseur-and-daz-studio-format>

Short Description: The 3D vintage eyeglass model for all Poser / DAZ and other Poser figures has ear pieces that have movements set for adjustment or folding. They ear pieces are parented to the main frame. They are set up for the Poser Ryan figure and the preview shows them on the Poser Sydney G2 figure. The frames by default are slightly transparent and the color can be changed easily.
